In a faraway land lived a renowned Wizard and his apprentice.

Actually, I have a favor to ask of you.

Wh-what's this? Are you starting another new enterprise?

...Master,

AN UNEXPECTED REQUEST  
FROM HER MASTER.  
WHAT ARE HIS  
INTENTIONS...!?

I WANT  
TO BORROW  
YOUR OLDER  
SISTER.

Pardon me.

I've always said it's too easy to lead you astray using money.

Listen until I finish talking.

I don't think of it at all like that. --Or rather, that's what everyone else says.

You only studied and therefore didn't have time for a real love-life. Now you're exploiting the benefits of a fake love affair with an idol.

YES!

While in magic school, I skipped grades and graduated at the top of my class. I'm what's called a "super elite," as I'm sure you know.

YES, WITH MY GRAND-CHILD.

...A marriage meeting?

Last week, when I went to the Magic Ministry, I was summoned by a Cabinet Minister.

...has gotten into a sticky situation.

Yes, I the famous all-brains-and-all-business wizard...

Master doesn't hear how bad his life actually is.

The minister intends to produce "Super Elites" through marriage to his grandchild.

My omnipotence is too well-known and I've been targeted.

"IT'S PROBABLY NOT AN ALTOGETHER BAD SITUATION FOR YOU."

I'm sure I can get my older sister to play the role of your girlfriend!

Hey! Where are you going!?

You want to use the "I have a girlfriend" excuse to refuse the proposal.

I SEE!

I would myself refuse; but I can't do it without the other side's consent.

I'm an idol,

Calm

Hasn't  
Master  
supported  
you a lot  
financially?  
Think of it as  
repayment!

**ARE  
YOU OUT  
OF YOUR  
MIND?**

I don't  
like Uhoma  
because he's  
too dreary.

Go  
find  
some-  
one  
else.

Lately,  
magicians  
have become  
more tightly  
managed.

Unlike how  
it used to  
be, it's now a  
serious crime to  
create new life  
magically.

Since he's  
a wizard,  
he should  
magically  
conjure a  
woman for  
the role.

The more I think about it, there's not a single appealing thing about him.

Since he's so austere, he has no sexual appeal. Rather, he's preachy and demanding.

I'm sure nothing can be done about Master's bad mood.

But he is rich.

*ALLOOMBOO*

I need to get back to work!

If I've made myself clear, leave!

**TOSS!**

Hmm... transform?

If that's the situation, then you should transform into a beautiful woman.

So on and so forth, this and that...

Hi, Fairies!

How convenient.

Oh my! Little seems upset. How sad!!

She's too sad!!

What are you talking about? After all, you're Lord Uhoma's only apprentice.

I know you can do it!

No matter how many times I'm taught something, I mess it up.

I don't think I can do it right.

as my master's one and only apprentice, I want to be closest to him.

**YAMMER**  
The marriage meeting I was talking about wasn't for me; it was for you.

**YAMMER**  
I was going to go along with your one and only relative, your sister, to refuse the minister's proposal! That's why I had the case full of cash!

**YAMMER**  
I was going to settle the matter with money if needed.

**YAMMER**  
Since you are my apprentice, I wanted an extraordinary prospect.

**YAMMER**  
You never listen all the way through!

**YAMMER**  
Today again, you recklessly blah, blah, blah, blah...

**YAMMER**  
On picture: "Master"

**YAMMER**  
He's still talking...

I told you not to jump on me while I'm tending the fire.

Hey!

I drew a good picture of you, Master. I want to hang it on the wall.

There's no way they would say anything about a child easily defeating the Magic Ministry's vaunted defenses.

**Wasn't that Master's magic!?**

Wasn't it to escape?

It's possible you were the source of that explosion.

Why not, you ask...

**Why not!?**

No report was made.

?

...will I be captured by the police since I broke into the Magic Ministry?!

But that aside, Master...

From now on wear this.

You're a child who's going to be scary when you grow up.

Snapi!

I'll get it!

NO WAY!  
YOU'RE  
KIDDING!

HE'S BEEN  
COMING TO  
YOUR HOUSE  
TO MAKE  
PAYMENTS!?

Those were  
payments on  
a loan.

"I'll pay  
whatever  
you ask,  
so please  
lend her  
to me for  
a few  
years."

"Your  
little  
sister  
has a  
rare  
gift."

Since the person  
my sister chose was  
the wealthiest, you  
could say the decision  
was already made.

"Big  
Sister,  
this  
man is  
good!"

Listen, all he  
did was study.  
He didn't have  
a love-life.

"I don't wanna  
go anywhere  
else. I wanna  
go with him."

To keep  
"annoying pests"  
away from you,  
I dressed you as  
a boy. But now that  
you've been found out,  
there's no point in  
doing that.

NO  
WAY!

LORD  
UHOMA?  
WASN'T  
HE YOUR  
BIGGEST  
FAN?

Yes.

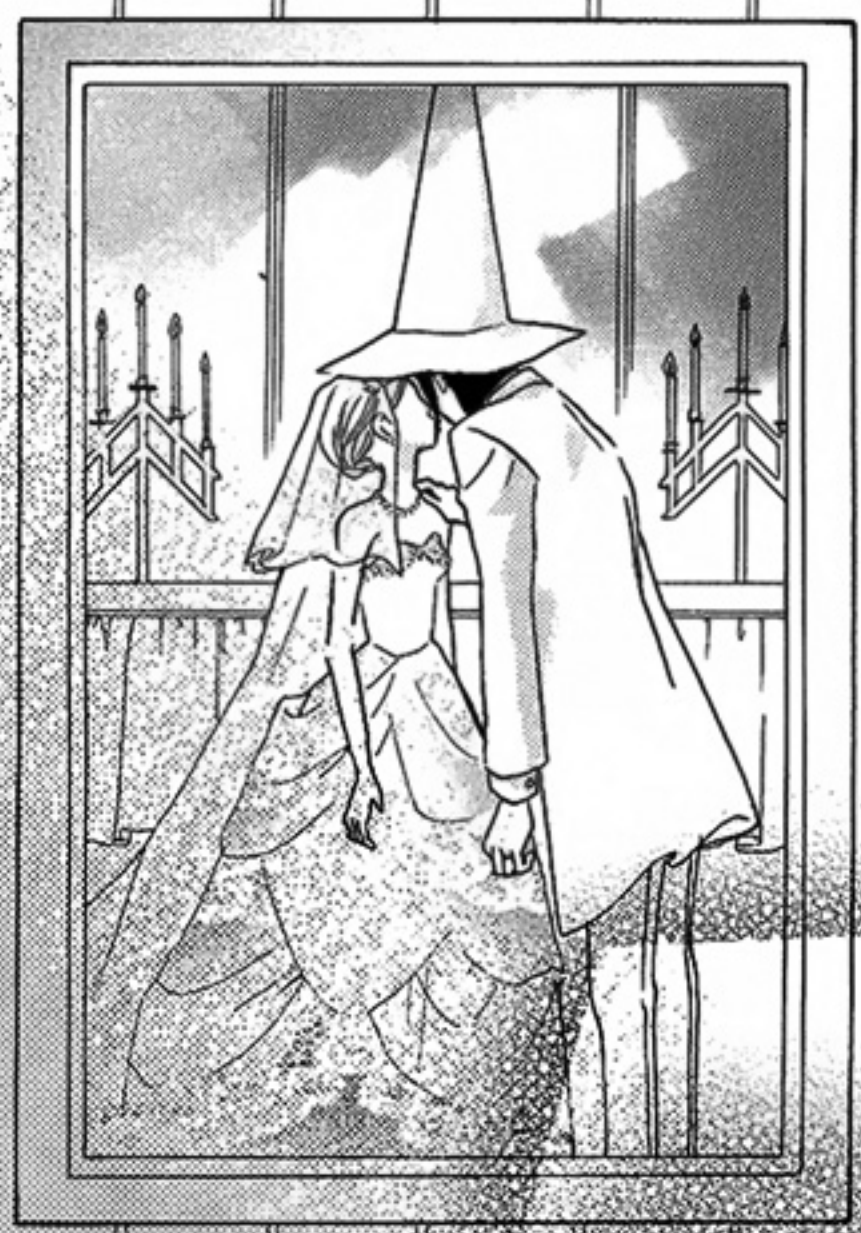

"I will definitely return her once I make her a full-fledged magician."

By that time, she couldn't be returned.

Liar.

She is forever on loan.
